

TURINUMUGISHA Gasore Corene

SOFTWARE ENGINEER

ABOUT ME

As a passionate software engineer and full-stack web developer with a focus on UI/UX design, I specialize in creating visually stunning and highly functional web applications. Currently pursuing software development and embedded systems at Rwanda Coding Academy, I've gained extensive coding experience while staying updated with the latest technologies and frameworks. With a solid understanding of diverse programming languages and a commitment to continuous learning, I'm eager to bring fresh, innovative solutions to your projects. Let's collaborate to build something extraordinary!
